SAN-e-TISE - *Timer*

24x7x8

The *San-e-tise* is an all in one timer suitable for reminding staff to sanitise hands or equipment at **your** set times. The unit has a red or orange light which flashes on with an audible buzzer to remind staff to do a task such as to wash hands, equipment or work surfaces.

The 2 different light colour options could be used to denote different tasks. the washing/cleaning of hands, equipment or surfaces. With 2 different models the timing options are very flexible. Install multiple units in different departments/floors and synchronise to ring at the same or different times. The unit comes with an easy to use App which works on any WiFi network.
